Public Notice

Bureau of Mining Regulation and Reclamation

The Administrator of the Division of Environmental Protection gives notice that an application for a Water Pollution Control Permit for a mining facility, the **PREBLE MINE**, has been properly filed with the Division of Environmental Protection in Carson City. The applicant for Permit NEV84003 is:

Pinson Mining Company
PO Box 129
Winnemucca, NV 89446

The Preble Mine is located in Humboldt County, on the eastern flank of the Osgood Range, approximately 5 miles northeast of Golconda, NV. The mine is located in T37N, R41E, Sections 17 and 18. The Preble Mine was a heap leach gold mine and is being closed according to an approved closure plan.

The Administrator is constrained to issue a Water Pollution Control Permit or deny the application. The Administrator has made the tentative determination to issue the permit.
